INTRODUCTION

Alipek Ltd t/a Legonono Farms is a Private Limited Company Registered under the Botswana companies Act of 2002 to carry out agriculture related business like Crop farming, Livestock Farming, Trading of agriculture products and other agriculture related business. The company started operation in 2020 and is located in Kweneng Village.

OPENING MESSAGE

What I cherish most about Legonono Farms is the potential of growth that is so evident. This is supported by the quality of products we produce. We can indeed feed Botswana.

We pride ourselves with the strictest work ethics and unparalleled dedications.

Wendy Masego Magosi

Farmer & Owner

VISION & MISSION

Our Vision

.....

To see legonono be the standard in quality and becoming the leading agri producer in Botswana with an export oriented plan.

Our Mission

.....

To keep revolutionizing in the agri produce space. Legonono adapts and bridges with the integration of both modern and traditional farming implements.

VALUES

- **Relationships:** agriculture is a people's business. The company strives to connect with people in the industry to share knowledge resources and grow together.
- **Industry Advocacy:** The best way to help people understand the role of women in Agriculture is to share information. We equip our member to be advocates for the industry and ensure member (majority women) receive sustainable income from best farming practice, which encourages more production.

SERVICE

Crop Farming: Our farm is used for crop production as it uses different irrigation systems.

Livestock farming: Our livestock farming is still in its infancy and is already showing serious growth potential.

Products processing and packaging. For value addition we package our products and also process some into finished products Like our cherry tomatoes to tomato paste.

Formal, informal training and extension services.
